FOR IMMEDIATE RELEASE

## Little Wigwam: Feeding Children's Brains!

STAND 9C14

Little Wigwam is proud to announce the launch of its range of quality educational placemats for children.

The eco-friendly reusable placemats are available in a range of brightly coloured designs to help feed little ones' brains, as well as their tummies! Designed by teachers to fit in with the National Curriculum, the mats are also available in disposable black and white paper versions which are ideal for colouring in.

You can find Little Wigwam at Stand 9C14 where all of the following reusable and disposable placemats are on display:

-  Alphabet
-  Flags And Capitals
-  Multiplication Tables
-  Number Bonds – Story to 10
-  Numbers
-  On The Farm
-  Shapes And Colours
-  Telling The Time
-  The Solar System
-  World Map

Don't forget to pick up your free Little Wigwam ruler from our stand!
